Dear Mr. Saric and Mr. Schneider:

**REQUEST FOR EXTENSION TO SUBMIT ON-SITE DISPOSAL FACILITY GROUNDWATER MONITORING PLAN**

The purpose of this letter is to request a twenty day extension for the preparation and transmittal of the On-Site Disposal Facility (OSDF), Final Groundwater Monitoring Plan. The plan was to have been submitted to the U.S. Environmental Protection Agency (U.S. EPA) and Ohio Environmental Protection Agency (OEPA) on November 28, 1996 in accordance with the Remedial Action Work Plan for the OSDF. The extension is requested to ensure consistency between the OSDF Groundwater Monitoring Plan and the Integrated Environmental Monitoring Plan (IEMP), and to further evaluate a technically suitable approach for the incorporation of the Ohio Solid Waste Program's groundwater monitoring requirements into the OSDF monitoring program.

If there are any questions regarding this request, please contact Rod Warner at (513) 648-3156.

Sincerely,

**Johnny W. Reising  
Fernald Remedial Action  
Project Manager**
