*The public is welcome.*

The Fernald Community Reuse Organization (CRO) was formed to provide recommendations to the Department of Energy on social and economic development issues resulting from downsizing at the Fernald Environmental Management Project. The CRO will hold regular meetings to develop a strategy to offset the impacts of Fernald's downsizing on the local communities. The next meeting is:

**December 10, 1996, 7 p.m. to 9 p.m.  
Ross High School Media Center  
3425 Hamilton-Cleves Road, Ross, Ohio**

The CRO will discuss strategic planning. For more information call or write to:  
*Fernald CRO, (513) 648-4168, P.O. Box 38, Ross OH 45061*
