RE: DOE FEMP  
MSL 531-0297  
HAMILTON COUNTY  
APPROVAL - OU-4 PHASE I  
CAMPAIGN I REPORT

Mr. Johnny Reising  
U.S. Department of Energy, Fernald Area Office  
P.O. Box 538705  
Cincinnati, OH 45253-8705

Dear Mr. Reising:

Ohio EPA has received DOE's Response to Comments on the Operable Unit 4 Vitrification Pilot Plant Phase I Interim Treatability Study Report. Based on the Reponse to Comments, OEPA approves this document. Due to the early failure of the Pilot Plant before the completion of Phase I, OEPA does not require that the comments be incorporated into near-term testing, but does request they be included in the Campaign I report.

If you have any questions, please contact Kelly Kaletsky (937-285-6454) or me.

Sincerely,

*Kelly Kaletsky for*
