Subject: Ohio EPA Approval of Response to Comments Document for the Draft Final Soil-Geosynthetic Interface Direct Shear Testing Report

Dear Mr. Reising:

The Ohio EPA has reviewed the Response to Comments Document for the Draft-Final Soil Geosynthetic Interface Direct Shear Testing Report which was received in our office on January 22, 1997. Based upon this review the Ohio EPA feels that our comments have been satisfactorily addressed and hereby grants approval of the above mentioned document.

Should you have any questions, please feel free to contact Tim Hull or me.

Sincerely,

Thomas A. Schneider
