RE: OSDF Test Pad Final
Report RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Response to Comments (RTC) on the test pad program final report for the On-Site Disposal Facility (OSDF).

U.S. DOE has adequately addressed U.S. EPA's previous comments.

Therefore, US. EPA approves the RTC on the test pad program final report for the OSDF.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
