You Are Invited to Attend the Following Workshops 776

sponsored by the U.S. department of Energy (DOE) at Fernald

Wednesday, May 14, 1997:

The focus of the workshop will be the path forward for the remediation of Silo 3 at the Fernald Environmental Management Project. Updates about the technological alternatives available and opportunities for the public to get involved in the decision-making process will be provided at the workshop.

Tuesday, May 27, 1997:

The focus of the workshop will be on Soil & Water Projects in general. The On-Site Disposal Facility and Soil Certification will be discussed, in addition to pending road closures/realignments, etc. to accommodate work. DOE and Fluor Daniel Fernald managers will be available to answer questions.

WHERE: The Plantation
9660 Dry Fork Road (off I-74)
Harrison, OH-45030

TIME: Meetings begin at 7:00
