RE: Final Restoration Area  
Verification Plan

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final version of the restoration area verification sampling project specific plan.

This document has adequately addressed U.S. EPA's previous comments and incorporated them into the final document.

Therefore, U.S. EPA approves the final restoration area verification sampling plan. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
