RE: OSDF RAWP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) response to comments and revised Remedial Action Work Plan (RAWP) for the On-Site Disposal Facility (OSDF).

The responses have adequately addressed U.S. EPA's previous comments and they have been incorporated into the document.

Therefore, U.S. EPA approves the RAWP for the OSDF. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
