RE: Post Closure Care and
Inspection Plan

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) response to comments and revised On-Site Disposal Facility (OSDF) post-closure care and inspection plan.

The responses have adequately addressed U.S. EPA's previous comments and incorporated them into the plan.

Therefore, U.S. EPA approves the OSDF post-closure care and inspection plan. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
