RE: Recycling
Environmental Projects

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Response to Comment (RTC) and revised work plan for the recycling environmental projects.

The RTC adequately addressed U.S. EPA's previous comments and incorporated the responses into the revised document.

Therefore, U.S. EPA approves the RTC and the revised work plan for the recycling environmental projects.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
