April Cleanup Progress Briefing

Fernald Environmental Management Project

The feature topic of Fernald's April Cleanup Progress Briefing will be:

Fernald's corrective action plan resulting from DOE's investigation of the leaking white metal boxes.

The briefing will be held on **Tuesday, April 14, 6:30 p.m.** at the Alpha Building, Classroom D, 10967 Hamilton-Cleves Highway. DOE and Fluor Daniel Fernald project managers will also provide a monthly update of all major cleanup projects.

For more information on the briefing, please call Gary Stegner, DOE Public Affairs, 513-648-3153, or leave a message on the Fernald Community Message Line, (513) 648-6272.

Visit Fernald's Web site at: (<http://www.fernald.gov>)
