RE: Habitat Area Work Plan

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Operable Unit 4 supplemental project habitat area work plan.

The work plan adequately addressed and incorporated U.S. EPA's previous comments into the document.

Therefore, U.S. EPA approves the habitat area work plan. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
