RE: Final Sitewide
Excavation Plan RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final Response to Comments (RTC) and revised Appendix G of the Sitewide Excavation Plan (SEP).

U.S. DOE has adequately address U.S. EPA's previous comments and Appendix G appears satisfactory.

Therefore, U.S. EPA approves the final SEP. U.S. DOE must submit a final SEP incorporating the RTC within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
