Dear Mr. Jablonowski and Mr. Schneider:

**ERRATA SHEET FOR PROJECT COMPLETION REPORT, PLANT 1 COMPLEX - PHASE I,
REVISION 1**

Reference: Letter from J. Reising to G. Jablonowski and T. Schneider, "Plant 1
Complex - Phase I Project Completion Report, Revision 1," dated
December 23, 1997.

The referenced letter transmitted the responses to comments from the U.S. Environmental Protection Agency (U.S. EPA) and Ohio Environmental Protection Agency (OEPA) on the Plant 1 Complex - Phase I Project Completion Report and The Revision 1 of that Project Completion Report. Since discussions regarding certification of closure of one hazardous waste management unit were still ongoing at the time the report was sent for reproduction, two different versions were prepared, with the intent of removing the pages that did not correspond to the agreement reached with the OEPA prior to transmittal of the report to the agencies. Both versions of Pages 7 and 8 were inadvertently left in the report and it was submitted to you in this incorrect form. The enclosed errata sheet provides the instructions for removing the incorrect pages from the report.
