**Mr. Tom Schneider, Project Manager  
Ohio Environmental Protection Agency  
401 East 5<sup>th</sup> Street  
Dayton, Ohio 45402-2911**

Dear Mr. Saric and Mr. Schneider:

**TRANSMITTAL OF ANNOTATED FINAL SITEWIDE COMPREHENSIVE ENVIRONMENTAL  
RESPONSE, COMPENSATION, AND LIABILITY ACT QUALITY ASSURANCE PROJECT  
PLAN REVISION 1**

- References:
- 1) Letter from Saric to Reising, "U.S. EPA Revision 01 SCQ RTC," dated June 2, 1998.
  - 2) Letter from Reising to Saric and Schneider, "Transmittal of Responses to U.S. Environmental Protection Agency and Ohio Environmental Protection Agency Comments on the Sitewide Comprehensive Environmental Response, Compensation and Liability Act Quality Assurance Project Plan, Revision 1," dated May 1, 1998.
  - 3) Letter from Schneider to Reising, "DOE-FEMP Concurrence SCQ RTC," dated April 2, 1998.

Pursuant to the approvals received on comment responses in References 1 and 2, the Department of Energy (DOE) is submitting an annotated version of the Sitewide Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) Quality Assurance Project Plan (SCQ), Revision 01. This annotated version of the SCQ indicates the locations in the document where the U.S. Environmental Protection Agency (U.S. EPA) and Ohio Environmental Protection Agency (OEPA) comments were incorporated. A

forward has been included in the front portion of the annotated SCQ to facilitate easy location of incorporated comments. This forward describes the revision process and provides a cross-reference for locating the incorporated comments.

In Reference 2, the U.S. EPA correctly noted a transcription error in DOE Response Number 4/98-2. The Quality Assurance acceptance criteria for long-term radon detectors has been corrected in accordance with the U.S. EPA's comment (see SCQ, Section K.6.2.4 B.2).

A signature approval page, signed by DOE and Fluor Daniel Fernald (FDF) management, is enclosed. The signature page needs to be signed by the U.S. EPA, Region V Remedial Project Manager and U.S. EPA, Region V Quality Assurance Reviewer.

Upon receipt of the signed approval page from the U.S. EPA, DOE will make controlled distribution of the SCQ to all appropriate parties.

If you have any questions regarding this transmittal, please contact Joe Neyer at (513) 648-3178, or Rob Janke at (513) 648-3124.

Sincerely,

Johnny W. Reising  
Fernald Remedial Action  
Project Manager
