RE: DOE FEMP  
CONDITIONAL APPROVAL:  
PSP A8PII and A6TA Certification  
Sampling and Drainage Ditch  
Investigation

Mr. Johnny Reising  
U.S. Department of Energy, Fernald Area Office  
P.O. Box 538705  
Cincinnati, OH 45253-8705

Dear Mr. Reising:

Ohio EPA has reviewed DOE's February 1, 1999 submittal, "Project Specific Plan for Area 8, Phase II and Area 6 Triangle Area Certification Sampling and Drainage Ditch Investigation". Based upon our review, Ohio EPA conditionally approves the PSP for A8PII and A6TA Certification Sampling and Drainage Ditch Investigation. The condition for Ohio EPA approval is: 1) modifying Figure 1 to clearly show that the railroad tracks located in A6TA are not going to be certified as part of this document.

If you have any questions, please contact Michelle Waller or me.

Sincerely,

Thomas A. Schneider
