RE: DOE FEMP  
CONDITIONAL APPROVAL:  
CDL A8PII and A6TA

Mr. Johnny Reising  
U.S. Department of Energy, Fernald Area Office  
P.O. Box 538705  
Cincinnati, OH 45253-8705

Dear Mr. Reising:

Ohio EPA has reviewed DOE's February 1, 1999 submittal, "Certification Design Letter for Area 8, Phase II and Area 6 Triangle Area". Based upon our review, Ohio EPA conditionally approves the CDL for A8PII and A6TA. The conditions for Ohio EPA approval include: 1) changing line 27 on page 8 to read "five CUs", which is consistent with the rest of the document 2) modifying Figure 1 to clearly show that the railroad tracks located in A6TA are not going to be certified as part of this document.

If you have any questions, please contact Michelle Waller or me.

Sincerely,

Thomas A. Schneider
