RE: OSDF RAWP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Revision 2, of the Remedial Action Work Plan (RAWP) for the On-Site Disposal Facility (OSDF).

The RAWP provides new milestones for the OSDF in 1999 and the current field organization reporting structure.

U.S. EPA concurs with the information submitted in the RAWP and therefore approves the RAWP for the OSDF.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
