# Fernald Cleanup Progress Briefing

**Fernald is loading railcars and will begin rail shipments to the commercial disposal facility this spring.**

To learn more about Fernald cleanup activities, DOE and Fluor Daniel Fernald invite you to attend the next Cleanup Progress Briefing on Tuesday, April 13 at 6:30 p.m.

DOE project managers will provide brief updates on the following projects:

- Waste pits
- On-Site Disposal Facility
- Building demolition
- Silos
- Soil and aquifer cleanup
- Waste management

The workshop will be held at the Fernald site, 7400 Willey Road off State Route 128. Visitors must show a drivers license or valid photo identification to the Fernald Security Officer when entering the site. Handicapped parking is available. For more information, contact:
