Dear Mr. Reising:

Ohio EPA has reviewed DOE's February 22, 1999 submittal, "Certification Design Letter for Area 1, Phase II Sector 2B Certification Sampling". Based upon our review, Ohio EPA conditionally approves the PSP for A1PII-S2B. The conditions for Ohio EPA approval include: 1) correcting the Figure number on page 2-1, line 34 to Figure 1, as this is the only figure in this document and appears to be the one being referred to 2) changing line 20 on page 2-5 from 04 to EIS to be consistent with the rest of the document 3) Appendix B- pages 2 and 5 are missing data, and pages 3 and 4 are missing. Please provide.

If you have any questions, please contact Michelle Waller or me.

Sincerely,

Thomas A. Schneider
