**This is a preliminary notification that your 1999 Annual Discharge Fee (ADF), authorized by Ohio Revised Code (ORC) 3745-11, will be due on January 31, 2000.**

The annual discharge fee for the calendar year 1999 is based upon the average volume of wastewater discharged by your facility the previous year between May 1 and October 31, 1998. Pursuant to ORC 3745-11, the fee schedule is presented below. In order to ensure correct invoices are sent out later this year, and to provide you with adequate time to plan for this expense, the flow and fee due for your facility are listed. Nonpayment of this fee by January 31, 2000, will result in an additional charge of 10% of the initial fee added to the total amount owed the Agency.

Please review this information carefully. If the flow information is incorrect, you must provide a written explanation and include copies of your original EPA 4500 Forms (Monthly Operating Report) for May through October, 1998, showing the signatures at the bottom of the forms. Pursuant to ORC 3745-11(5)(a)(ii), if you are entitled to a pro-rated fee, provide a written explanation, referencing your permit number. **Mail this information to Mark Mann, Ohio EPA, P.O. Box 1049, Columbus, Ohio 43216-1049 by October 1, 1999.** If you have any questions, please contact the ADF hotline at (614) 644-2153 or via e-mail at [adf@epa.state.oh.us](mailto:adf@epa.state.oh.us).
