RE: A2, P3 CDL  
 and Certification  
 Sampling RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC), on the final Certification Design Letter (CDL) and revised Project Specific Plan (PSP) for the Area 2, Phase 3 (A2, P3) certification sampling.

U.S. DOE has adequately addressed U.S. EPA's previous comments and incorporated them into the document. Therefore, U.S. EPA approves the A2, P3 certification sampling PSP and CDL.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
