RE: OSDF Leachate Conveyance System  
RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Response to Comments (RTC) on the modifications to the Leachate Conveyance System (LCS) for the On-Site Disposal Facility (OSDF).

U.S. DOE adequately addressed U.S. EPA's comment on the document. Therefore U.S. EPA approves the RTC.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager
