Reference: Letter, J. Reising to J. Saric and T. Schneider, "Transmittal of Final Remedial Action Package for Operable Unit 1 and Responses to the U.S. Environmental Protection Agency and Ohio Environmental Protection Agency comments," dated July 30, 1999

This letter transmits the Draft Non-Typical Waste Management Plan for the Waste Pits Remedial Action Project (WPRAP) to the U.S. Environmental Protection Agency (U.S. EPA) and Ohio Environmental Protection Agency (OEPA). This document was developed in response to various OEPA comments on the Final Remedial Action (RA) Package provided by Department of Energy (DOE), referenced above.

As you are aware, excavation of the cover of Pit 3 is imminent. The enclosed Non-Typical Waste Management Plan will be utilized for these activities. During the interim period prior to the approval of this plan, DOE shall notify and confer with your agencies should non-typical waste be encountered.
