RE: Lime Sludge Ponds IRDP RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Response to Comments (RTC) to the Integrated Remedial Design Package (IDRP) for the lime sludge ponds.

The RTC adequately addressed U.S. EPA's previous comments. Therefore, U.S. EPA approves the IRDP for the lime sludge ponds.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
