RE: Final OU 1 RA Package  
RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final Operable Unit (OU) 1 Remedial Action (RA) Package Responses to Comments (RTC).

The RTC adequately addressed U.S. EPA's previous comments, and are acceptable.

U.S. EPA previously approved the final RA package on August 23, 1999. Therefore no further action is required on this document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager
