RE: Area 2, Phase 2 PSP  
RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) response to comments on the Project Specific Plan (PSP) for the pre-design sampling in Area 2, Phase 2 (A2,P2) parts two and three, in the southwest portion of the site.

U.S. DOE has adequately addressed U.S. EPA's previous comments. Therefore U.S. EPA approves the PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SFD Remedial Response Branch #2
