RE: A1,P2-Sector 2C, 3  
and Trap Range  
CDL and PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) and Certification Design Letter (CDL) for Area 1, Phase II (A1,P2)-Sector 2C, 3, and the trap range. This effort will complete certification of A1,P2.

U.S. EPA finds the document satisfactory, and approves the document. However several typographical errors exist and the document should be re-edited to correct the errors.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
