RE: A8,P2 Natural Resource  
Restoration

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 8, Phase 2 (A8,P2) natural resource restoration design plan.

The design plan provides information necessary to implement, monitor, and maintain the ecological restoration at A8,P2.

The documentation appears adequate and U.S. EPA approves the natural resource design plan for A8,P2.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
