Re: RESCHEDULING OF WPRAP PERFORMANCE TEST

Dear Mr. Reising:

Ohio EPA has reviewed your March 30, 1999 correspondence, "Rescheduling of Waste Pits Remedial Action Project Dryer Performance Test." Your letter requests an additional extension to the delay requested in DOE's March 15, 2000 extension request letter. Ohio EPA concurs with the proposed extension and startup schedule. As a condition of our concurrence with the requested extension, sufficient written notice must be provided to Ohio EPA and Hamilton County DES to ensure staff availability for observation of the performance test.

If you have any questions, please contact me at (937) 285-6466.

Sincerely,

Thomas A. Schneider
