RE: A2, P3 Part Two  
IRDP RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Integrated Remedial Design Package (IRDP) for Area 2, Phase 3 (A2,P3) Part Two.

U.S. EPA has found the RTC adequately address U.S. EPA's previous comments and they been incorporated into the final document. Therefore, U.S. EPA approves the A2,P3 Part Two IRDP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SFD Remedial Response Branch #2
