RE: A2, P3 Part 2 CDL
and Certification
Sampling

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Certification Design Letter (CDL) and draft Project Specific Plan (PSP) for Area 2, Phase 3 (A2, P3) Part 2 certification sampling.

The documents provide a plan for certifying that the soil in A2, P3 Part 2 meet final remediation levels.

The PSP for the A2, P3 certification sampling is adequate and consistent with similar documents. Therefore, U.S. EPA approves the document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
