RE: A2,P1 Carolina Area IRDP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 2, Phase I (A2,P1) non-waste units Carolina Area Integrated Remedial Design Package (IRDP).

This document includes an implementation plan and design change notice for remediation of soil and at- or below-grade debris in the A2,P1 Carolina Area.

The document appears adequate and is consistent with other similar documents. Therefore, U.S. EPA approves the A2,P1 Carolina Area IRDP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
