RE: OSDF Revised Support Plans
RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the revised support plans, design criteria package and calculation sections for the On-Site Disposal Facility (OSDF).

The responses adequately address U.S. EPA's previous comments on the revised support plans, design criteria package, and calculation sections. Therefore, U.S. EPA approves the RTC document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
