RE: A2,P3 Part 2 Certification
Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) draft certification report for Area 2, Phase 3 (A2,P3) Part 2.

The documents provides the information and data used by U.S. DOE to determine that the soil in A2,P3 Part 2 meet final remediation levels.

The certification report adequately demonstrates that the area has achieved the final remediation levels, and is consistent with other certification reports. Therefore, U.S. EPA approves the A2,P3 Part 2 certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
