RE: Paddy's Run and Adjacent
Areas Real-Time Scan
Responses to Comments

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Project Specific Plan (PSP) for the Real-Time Scan of Paddy's Run creek and the adjacent areas.

U.S. EPA previously approved the PSP for Real-Time Scans at Paddy's Run and the Adjacent areas pending U.S. DOE's correction of the sample identification system throughout the document. U.S. DOE has adequately addressed U.S. EPA's previous comments.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
