Dear Mr. Saric, Mr. Schneider, and Mr. Sturdevant:

QUARTERLY REPORT

The purpose of this letter is to transmit the following information to the United States Environmental Protection Agency (U.S. EPA), the Ohio Environmental Protection Agency (OEPA), and the Hamilton County Department of Environmental Services.

In response to the OEPA comments on the Draft Remedial Action Package, the Department of Energy, Fernald Environmental Management Project (DOE-FEMP), Fluor Fernald, Inc., and IT Corporation agreed to provide quarterly reports of any deviations or excursions from emissions limitations, operational restrictions, and control device operating parameter limitations for the dryer stack. If no deviations or excursions occurred during the affected calendar quarter, a report stating so is required.

This letter satisfies this commitment for calendar quarter October 1 through December 31, 2000. No deviations or excursions occurred during that time.
