RE: Final Background Soil
Study Addendum

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final addendum to the background soil study.

The addendum has adequately incorporated U.S. EPA's previous comments. Therefore U.S. EPA approves the final addendum to the background soil study.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
