**RE: APPROVAL OF RTC FOR THE PSP FOR SAMPLING OF MISCELLANEOUS AREAS FOR OSDF WAC ATTAINMENT**

Dear Mr. Reising:

Ohio EPA has reviewed DOE's July 24, 2001 submittal "Transmittal of Responses to the Ohio Environmental Protection Agency Comments on the Draft Project Specific Plan for Sampling of Miscellaneous Areas for On-Site Disposal Facility Waste Acceptance Criteria Attainment". Ohio EPA approves the comment responses with the understanding that further characterization, both for FRLs and WAC attainment, of the Fire Training Facility and the Solid Waste Landfill will be performed under future documents.

If you have any questions, please contact Michelle Waller or me.

Sincerely,

Thomas A. Schneider  
Fernald Project Manager  
Office of Federal Facilities Oversight
