RE: Approval of Final OU 1 DEEP
Responses to Comments

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the Responses to Comments (RTC) and revised pages for the Operable Unit 1 Dewatering Excavation Evaluation Project (DEEP) Work Plan. The RTC and revised pages adequately address U.S. EPA's previous comments.

Therefore, U.S. EPA hereby approves the DEEP work plan. U.S. DOE must submit a final work plan incorporating the revised pages into the document within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

James A. Saric
