RE: Approval of OU 2 Phase I and II  
Pre-design Field Investigation  
Report

Dear Mr. Craig:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) revised Operable Unit (OU) 2 Phase I and II Pre-design Field Investigation Report. The revised document and responses to comments have adequately addressed U.S. EPA's concerns.

Therefore, U.S. EPA hereby approves the OU 2 Phase I and II report.

Please contact me at (312) 886-0992 if you have any questions.

Sincerely,

James A. Saric
