RE: APPROVAL DESIGN FOR REMEDIATION OF GMA IN WSA AND PLANT 6

Dear Mr. Reising:

This letter provides Ohio Environmental Protection Agency approval of the responses to our comments on the Design for Remediation of the Great Miami Aquifer in the Waste Storage and Plant 6 Area. We concur that there is no need to further revise and reissue the report but we do request revised drawings and specifications.

Should you have any questions, please contact Tom Ontko or me.

Sincerely,
