Dear Mr. Saric and Mr. Schneider:

**PROJECT SPECIFIC PLAN FOR THE INSTALLATION OF MONITORING WELLS IN THE
PILOT PLANT DRAINAGE DITCH PLUME, NOVEMBER 2001**

The purpose of this letter is to transmit, for your review, a copy of the Project Specific Plan for the Installation of Monitoring Wells in the Pilot Plant Drainage Ditch Plume. This Plan serves as the controlling document for the installation of nine monitoring wells that will be installed in the Pilot Plant Drainage Ditch Plume area. These monitoring wells are intended to help monitor cleanup progress around the extraction wells that were recently installed in this area once they become operational.

If you have any questions regarding this Project Specific Plan, please contact John Kappa at (513) 648-3149 or Robert Janke at (513) 648-3124.

Sincerely,

Johnny W. Reising
Fernald Remedial Action
Project Manager
