RE: IEMP 2nd Quarter 2001
RTC and 3rd Quarter Summary

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Integrated Environmental Monitoring Plan (IEMP) data quarterly summary for the third quarter of 2001, and the Responses to Comments (RTC) on U.S. EPA's comments on the second quarter of 2001 IEMP data summary.

This document provides a summary of the IEMP data collected during the third quarter of 2001 and responses to U.S. EPA's previous comments on the second quarter 2001 data summary.

U.S. DOE has adequately addressed U.S. EPA's previous comments. Also, the third quarter IEMP data summary appears sufficient and U.S. EPA has no comments on the document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
