RE: Wetland Monitoring  
Report Year 2000  
Change Pages

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final change pages for the 2000 wetland monitoring report. These change pages were submitted as a result of U.S. EPA's previous comments.

The changes pages have adequately addressed U.S. EPA's previous comments. Therefore, U.S. EPA approves the change pages, and has no further comments on the document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
