RE: Waste Pit National Electric
Coil Solvent PSP RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the Project Specific Plan (PSP) for the Waste Pit remedial action project investigation of the disposal of National Electric Coil (NEC) solvent.

U.S. DOE has adequately addressed and incorporated U.S. EPA's previous comments. Therefore, U.S. EPA approves the PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
