Mr. Tom Schneider, Project Manager
Ohio Environmental Protection Agency
401 East 5th Street
Dayton, Ohio 45402-2911

Dear Mr. Saric and Mr. Schneider:

TRANSMITTAL OF THE PROJECT SPECIFIC PLAN FOR INSTALLATION OF THE SOUTH FIELD PHASE II MODULE EXTRACTION/RE-INJECTION WELLS AND ADDITIONAL SOUTH FIELD MONITORING WELLS

The purpose of this letter is to transmit, for your review and approval, the subject Project Specific Plan (PSP). The enclosed PSP provides for the installation of the South Field Phase II Module extraction, re-injection, and groundwater monitoring wells. The PSP provides the instructions for constructing four groundwater extraction wells and one re-injection well. The scope of this PSP also includes the installation of 26 additional South Field groundwater monitoring wells. The full scope of the South Field Phase II module, including the supporting information on the basis and location of the extraction, re-injection and monitoring wells, was recently provided to the United States Environmental Protection Agency (USEPA) and Ohio Environmental Protection Agency in the South Field Phase II design module entitled, Design for Remediation of the Great Miami Aquifer South Field Phase II Module.

If you should have any questions, please contact Robert Janke at (513) 648-3124.

Sincerely,

Johnny W. Reising
Fernald Remedial Action
Project Manager
