Re: APPROVAL - WPRAP DCN 1148

Dear Mr. Reising:

Ohio EPA has reviewed DOE's June 10, 2002 submittal "Waste Pit Remedial Action Project DCN Regarding Truck Tarping".

Ohio EPA approves this DCN contingent upon DOE continuing to monitor trucks for visible emissions and making changes consistent with Best Available Technology (BAT) requirements to eliminate any visible emissions.

If you have any questions feel free to contact me at (937) 285-6466.

Sincerely,

Thomas A. Schneider
Fernald Project Manager
