RE: RtCs - IMPLEMENTATION PLAN FOR AREA 2, PHASE II

Dear Mr. Reising,

Ohio EPA has reviewed DOE's Response to Ohio EPAs Comments dated June 2003 on the, "Draft Integrated Remedial Design Package for Area 2, Phase II, 20450-IRDP, 20450-PL-0001 Rev A" and provides the attached comments. Due to the significant revisions required to the original document its is difficult to determine by just reviewing responses to comments if the revised Implementation Plan will be acceptable. Ohio EPA encourages DOE to submit a revised IP with the next round of response to comments.

If you have any questions, please contact me at (937) 285-6466.

Sincerely,

Thomas A. Schneider
