RE: A6 SWL/FTF IRDP Change Pages

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) change pages to the final Integrated Remedial Design Package (IRDP) for the Area 6 (A6) Solid Waste Landfill (SWL) and Fire Training Facility (FTF).

The revised change pages and revised figure 2-5 are acceptable. Therefore, U.S. EPA approves the revised change pages to the IRDP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
